# Working process : Using this website to provide a software advice

www.beedatatech.com

The screenshot displays the Beedata website interface. At the top, there are five product cards arranged in two rows. Each card features a logo, the product name, and a button labeled 'CLICK HERE TO READ MORE'. The products are:

- E-INVOICE**: Logo with a blue 'C' shape and the word 'invoice'.
- AUTO RAIDER**: Logo with a red car silhouette and a key icon.
- TECH STRIVE**: Logo with a globe and data points.
- IMMISERVE**: Logo with a blue globe and an airplane icon, with the tagline 'EFFORTLESS SERVICE'.
- BT INCIDENT MANAGEMENT**: Logo with a laptop and a person icon, with the tagline 'BT Incident Management ALL NEEDS ONE CARE'.

At the bottom of the page, a dark blue footer bar contains three statistics:

- 4** + No.of
- 125** + No.of
- 20** + No.of

The browser window shows the URL 'beedatatech.com' and several open tabs including 'Seomark', 'IONOS - Webspace Explorer', 'Beedata Home | Bee Data Tech', and 'Beedata Technology : Products'.
