SUPPORTING

EmpConcor:
Empowering your team with streamlined HR processes and efficient time and attendance management.

HR RECRUITING

EmpConcor's HR recruiting process features a seamless flow from application submission to onboarding. It efficiently gathers applications, streamlining the initial screening process. Upon shortlisting candidates, EmpConcor simplifies interview scheduling, ensuring smooth communication and coordination. With the capability to send offer letters directly via email, it expedites the hiring process, maintaining professionalism and efficiency. Once selected, EmpConcor seamlessly transitions candidates into the onboarding phase, facilitating a smooth integration into the company.

HR RECRUITING PROCESS

01

APPLICATIONS

allows employees to register on our website and access comprehensive application details seamlessly.

02

INTERVIEW

facilitates seamless interview scheduling upon shortlisting applications through our website.

03

OFFER LETTER

enables the swift issuance of offer letters and confirmation via email directly through our website.

04

ON BOARDING

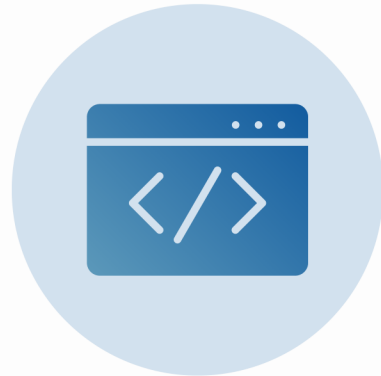

Once shortlisted, applications seamlessly transition into the onboarding process to receive job offers through EmpConcor's integrated platform.

TIME-ATTENDANCE

EmpConcor's HR management feature includes robust time and attendance tracking capabilities. It precisely records employee login and logout times, providing real-time insights into workforce activity. Through our website, administrators can easily access comprehensive details, such as the number of present and absent employees, along with individual attendance records. EmpConcor simplifies workforce management by offering a transparent overview of employee attendance, facilitating informed decision-making for optimal productivity and resource allocation.

HR TIME-ATTENDANCE PROCESS

employee Details
