## What is Quick Serve?

- Quick Serve is an online marketplace offering multi-category fashion products. The product catalog includes apparel, footwear, jewelry, watches, bags, wallets, headwear, belts, and more. It also offers beauty and home improvement products. The application is available on both iOS and Android platforms.

## Why we use is Quick Serve?

- Quick Serve is a one stop shop for all your fashion and lifestyle needs. Being a largest e-commerce store for fashion and lifestyle products, Quick Serve aims at providing a hassle free and enjoyable shopping experience to shoppers across the country with the widest range of brands and products on its portal.

# What sectors and market segments does Quick Serve operates in?

- Quick Serve serves in the B2C (Business-to-Consumer retail model where products or services move directly from a business to the end user who has purchased the goods or services for personal use) space in the Retail market segments.
